first published in 1998 giuseppe verdi already stood out as a distinctive and unusually significant composer by the time his career was barely underway today verdi scholars build their work on a vast foundation of earlier research for researchers who have not spent years with the verdi literature or who may just be starting to explore some aspect of this giant s life and works this foundation may

seem daunting indeed it is primarily for these researchers that this guide is intended its purpose is to index and describe some of the most significant studies about the composer presenting enough material in annotations that researchers may survey the many myriad directions verdi research has gone ascertain the relevance of individual items to their individual interests and pursue significant patterns and threads in which they are interested
