David Boddy's market leading text is the one guide today's students and tomorrow's managers need to read. A comprehensive introduction to the themes and functions of management, this book is an accessible and academically rigorous guide through the field. It takes an introductory approach to the study of management which makes it the ideal text to accompany a first course in management, either as an undergraduate or postgraduate. The full text downloaded to your computer with ebooks, you can search for key concepts, words and phrases, make highlights and notes as you study, share your notes with friends. Ebooks are downloaded to your computer and accessible either offline through the bookshelf, available as a free download, available online and also via the iPad and Android apps. Upon purchase, you'll gain instant access to this ebook. Time limit: the ebooks products do not have an expiry date; you will continue to access your digital ebook products whilst you have your bookshelf installed.

Eldenburg's management is an introductory text that focuses on presenting content in an easy-to-understand way that encourages students to think critically and draw connections between theory and practice. This new seventh edition has a strengthened focus on technology and features have been updated to help students further consolidate their knowledge. This includes various forms of revision materials such as auto-graded knowledge check questions and self-skill assessment. There is also a broad variety of concise case studies, including new ones with a strategic focus, which enable instructors to have thought-provoking and engaging tutorials. An exciting addition to the interactive e-text are the new ANZ videos that feature a diverse group of management thought leaders who give insights and tales from the front. This will provide supplementary content for lectures or serve as pre-work for a flipped classroom.

Sixth edition named a 2013 Doody's Essential Purchase, a detailed road map of essential knowledge for obtaining licensure and employment as a nursing home administrator, the seventh edition of this classic text is updated to reflect the 2014 National Association of Boards of Examiners of Nursing Home Administrators' new domains of practice with more than 50 new topics. It comprehensively addresses all new regulations for managing a nursing facility along with a detailed overview of the skills and knowledge required to be a successful administrator. The seventh edition responds to the many changes that have recently occurred in the long-term care field. It provides a completely new minimum data set 3.0, 2015 federal requirements for electronic records, the new international classification of diseases, tenth revision, clinical modification, ICD-10-CM, new quality measures, updated instructions for making data as per the Centers for Medicare and Medicaid, the impacts of the Affordable Care Act (ACA) and several new federal regulations. The seventh edition clearly describes what nursing home managers do, how they think and how they lead. It breaks down the art of

management into its basic tasks forecasting planning organizing staffing directing controlling quality innovating and marketing and examines them in depth the text pinpoints all of the separate components of nursing home administration management human resources team dynamics conflict resolution finance and business industry laws and regulations and patient care and describes how they fit together to form the coordinated activity set required of a successful nursing home administrator abundant real life case studies chapter objectives and critical thinking questions greatly enhance learning mastering this text will prepare students to take and pass with a depth of understanding the nationally required nab examination new to the seventh edition 2014 updated nab domains of practice management human resources finance environment and resident care introduces over 50 new topics including team dynamics conflict resolution and basic principles of nursing and social work vast changes wrought by new technology and patient data new information on safety and disaster preparedness updates signs and symptoms of abuse neglect and exploitation provides new technology vocabulary reorganized for quick access to information a completely new minimum data set 30 mds 2015 federal requirements for electronic records international classification of diseases tenth revision clinical modification icd 10 cm new quality measures impacts of the aca on long term care updated tables and figures new federal regulations for quality of care approaches for residents with dementia additional medication issues infection control residents rights to establish advance directives and defining unnecessary drugs key features provides in depth coverage of all aspects of nursing home administration includes current data on the field of long term care replete with real life case studies learning objectives and critical thinking questions formatted according to licensing examination and guidelines of the national association of boards of examiners of nursing home administrators prepares students for the nationally required nab exam accompanying instructor s manual
